

Steps for creating your Mount de Sales Canvas Parent account via the web:

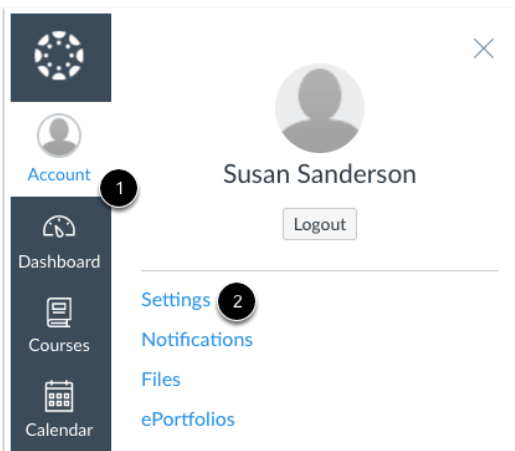

1. Go to <https://mdsa.instructure.com/login/canvas>
Note: this is NOT the same login site that your daughter will use to log in
2. Click on 'Parent of a Canvas User? Click Here for An Account'

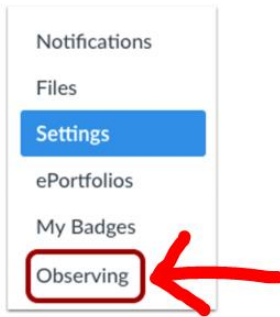

4. Enter your name, email address, password and student pairing code (Your daughter will need to obtain this from her account. See directions [here](#))
5. Check to agree to the terms of use
6. Click 'Start Participating'

If you have multiple students at Mount de Sales you can link them all to the same parent account.

1. Login to Canvas (<https://mdsa.instructure.com/login/canvas>) using your parent account
2. Go to Account then click on Settings

3. Click on Observing

4. Enter the student's pairing code then click the add student button

Observing

Student Pairing Code

+ Student

Please see the following resource for more information about your Canvas Observer role: [Clarity for Canvas Observers](#)
