

## **2014-2015 CONSUMABLE BOOKS ONLINE**

Dear Students and Parents,

This coming school year, Mount de Sales Academy will continue to simplify and reduce the cost of the workbooks, texts and novels that are used in our classes and will remain the property of the students. We are partnered with MBS Direct to be our school's official online provider for workbooks, novels, and other media materials. We will work side by side with MBS Direct to organize our Virtual Bookstore to match your daughter's course schedule. You will be responsible for ordering your "consumable" materials online and directly from MBS Direct.

**The Textbooks for each course will continue to be purchased by the school and a \$175 per year rental fee will be billed as a part of the book bill. These books do not remain the property of the student and are turned in at the end of the school year.**

To order paperbacks & consumables with convenience and accuracy, we recommend that you follow these steps:

1. Access our Virtual Bookstore (available after July 15) at:

**<http://bookstore.mbsdirect.net/mountdesalesacademy.htm>**

2. Select the courses in which your daughter is enrolled. The schedule has been included in this mailing.
3. Select new, used, or digital workbooks and paperbacks
4. Course materials are shipped to you within 24 hours of ordering

In keeping with their commitment to efficiency and savings, MBS Direct has developed some special services designed to help schools like ours:

- Used books up to 25% off the price of a new book price.
- Out-the-door in 24 shipping policy.
- Customer Loyalty program for more money at buyback.

Ordering your student materials can be quite challenging with many uncertainties using other online vendors, which is ultimately why we chose MBS Direct. We strongly urge you to use MBS Direct to guarantee your student the correct book, competitive prices, and the highest level of confidence and satisfaction. In addition, MBS Direct's 100% returns policy will refund your money for 30 days after the order is placed or 30 days after school has started, whichever comes later.

If you have questions or concerns about the ordering process or any other product and service MBS Direct offers, their customer service team is ready to answer questions, 24 hours per day, 7 days per week at 1.800.325.3252 or email VB@mbsbooks.com.
