

BUS SERVICE INFORMATION 2016-2017

Bus service is available to students for the region served by the Mount. The school may extend service to areas not presently covered as need arises. Presently we have bus service to Anne Arundel, Baltimore, Howard and Carroll Counties.

Bus routes, pick-up times and places are determined after reservations for service have been processed. Bus routes are designed to reduce riding time by picking up at central points near clusters of students. The school needs reservations for bus service by May 6, 2016 to develop proposed routes for the 2016-2017 school year. The school will give specific information and contracts to families with reservations and require a firm commitment for the service by July 15, 2016. Final routes and schedules will be sent in August.

The 2016-2017 full year non-refundable proposed bus fee will be \$1,700.00. ***Payment for bus service will be made in two payments: \$850.00 with signed contract, the balance of \$850.00 will be due January 1, 2017.*** One-Way service is available (preference is given to full service riders first). ***Payment for One-Way bus service will be made in two payments: \$400 with signed contract, the balance of \$400 will be due January 1, 2017.*** In August final routes and schedules are given to families.
